

# FLOOD DETERMINATION DISCLOSURE

(Revised 10/2021)

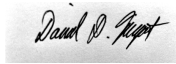

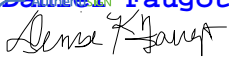

Property Address: 107 S William Dr. Lafayette LA 70506

Any and all flood related data and information, including but not limited to flood risk, flood maps, flood zones, flood requirements, and/or flood insurance, are constantly changing, often with limited, if any, notice to Seller and/or Real Estate Agents and Brokers. Any and all data and information provided by Seller and any Real Estate Agents and Brokers, in writing or verbally, is not guaranteed accurate and is only to the best of their knowledge.

It is the Buyer's responsibility to investigate, research and obtain accurate and current flood data and information on the property, including but not limited to flood risk, flood maps, flood zones, flood requirements, and/or flood insurance. **It is recommended that Buyer complete, at least, the following before making an offer and/or during Buyer's Inspection and Due Diligence Period:**

1. Contact the Flood Plain Administrator and Planning and Zoning Department for the parish the property is located in to review current flood maps, including any applicable *preliminary* flood maps, and obtain information as to the flood zone, flood ways, flood risks, flood history for the property and area, and any special building codes, requirements or permits that apply to the property.
2. Review flood maps and flood risk data at: [www.floodsmart.gov](http://www.floodsmart.gov), [www.maps.lsuagcenter.com/floodmaps](http://www.maps.lsuagcenter.com/floodmaps), and [www.fema.gov/flood-maps](http://www.fema.gov/flood-maps).
3. Contact an insurance agent and/or Lender to determine if flood insurance will be required and flood risks.
4. Obtain *at least* two flood insurance quotes. It is recommended that Buyer obtain a "public" flood insurance quote from the National Flood Insurance Program (NFIP) and, *at least*, one "private" flood insurance quote. Do not rely on any flood insurance rates provided by Seller since Buyer's flood insurance rates may be different. Most insurance agents can provide Buyer with both public and private insurance flood quotes.
5. Purchase and maintain flood insurance on the property, even if Buyer's Lender does not require flood insurance and even if the property is located in a lower risk flood zone, such as "X" or has a Letter of Map Amendment (LOMA) or Letter of Map Revisions-Based on Fill (LOMR-F) in place.

In acknowledgement of the aforementioned, Seller and Buyer agree(s) to defend, indemnify and hold harmless the Real Estate Agents and Brokers, and its subsidiaries, affiliates, officers, directors, members, employees, and agents, from any liabilities, costs, expenses, judgments, losses, damages, claims, causes of action or demands, including reasonable attorney fees, arising out of or in connection with, or in any way incidental to any representations, discussions or statements made by the Real Estate Agents and Brokers, and its subsidiaries, affiliates, officers, directors, members, employees, and agents relative to any and all Federal Emergency Management Agency issued flood maps and any and all flood, flood risk, flood data, flood zone or flood insurance related data or information.

## Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards

### Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

**PROPERTY DISCLOSURE DOCUMENT**

In accordance with LSA-R.S. 9:3196-3200, a SELLER of residential real property must furnish BUYERS with a Property Disclosure Document. A complete copy of these statutes can be found at [www.legis.la.gov](http://www.legis.la.gov). The required Property Disclosure Document may be in the form promulgated by the Louisiana Real Estate Commission ("Commission") or in another form that contains substantially the same information. The Commission form can be found at [www.lrec.gov](http://www.lrec.gov).

**RIGHTS OF BUYER AND CONSEQUENCES FOR FAILURE TO DISCLOSE:** If the Property Disclosure Document is delivered after the BUYER makes an offer, the BUYER can terminate any resulting real estate contract or withdraw the offer for up to **72 hours** after receipt of the Property Disclosure Document. This termination or withdrawal will be without penalty to the BUYER and any deposit or earnest money must be promptly returned to the BUYER (despite any agreement to the contrary).

**DUTIES OF REAL ESTATE LICENSEES AND CONSEQUENCES FOR FAILURE TO FULFILL SUCH DUTIES:** Louisiana law requires real estate licensees to inform their clients of those clients' duties and rights in connection with the Property Disclosure Document. Failure to inform could subject the licensee to censure or suspension or revocation of their license, as well as fines. The licensee is not liable for any error, inaccuracy, or omission in a Property Disclosure Document, unless the licensee has actual knowledge of the error, inaccuracy, or omission by the SELLER.

  - (c) If not repaired, removed, or replaced, significantly shortens the expected normal life of the property.

**OTHER IMPORTANT PROVISIONS OF THE LAW:**

- A Property Disclosure Document shall NOT be considered a warranty by the SELLER.
- A Property Disclosure Document is for disclosure purposes only; it is not intended to be part of any contract between the SELLER and the BUYER.
- The Property Disclosure Document may not be used as a substitute for any inspections or warranties that the BUYERS or SELLER may obtain.
- Nothing in this law precludes the rights or duties of a BUYER to inspect the physical condition of the property.
- The SELLER shall not be liable for any error, inaccuracy, or omission, of any information required to be delivered to the BUYERS if the error, inaccuracy, or omission, was not a willful misrepresentation, according to the best of the SELLER's information, knowledge and belief or was based on information provided by a public body or another person with a professional license or special knowledge, who provided a written or oral report or opinion that the SELLER reasonably believed to be correct and which was transmitted by the SELLER to the BUYER.

## Wire Fraud Alert – Inquire Before You Wire!

Please be aware that there are numerous email, fax, text, and social media messenger scams involving the wire transfer of money in conjunction with a real estate transaction. Realtors®, Real Estate Brokers, Closing Attorneys, Buyers, and Sellers are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. These scams involve authentic-looking, yet very fake, emails to request information or direct users to a false website (or a criminal's email) that requests information. Please note that Keaty Real Estate or any of its licensed real estate Agents, Brokers, or Employees, will NOT send instructions to wire funds pertaining to a real estate transaction or other business via email, fax, text, or social media message.

**Buyers:** If you have received any instructions purporting to be from a mortgage broker, real estate broker, settlement/title company, lender, attorney, or other entity, please verify the authenticity of the wiring instructions by at least one other independent means (i.e. telephone or personal visit to the office) prior to initiating any transfer of funds. ***Be especially aware of any request to change the wire instructions subsequent to the original wiring/money transfer information.***

**Sellers:** We recommend if you send wiring instructions of any kind (such as for the receipt of your sale proceeds from the transaction) via email or any electronic means to anyone, that you verify by telephone or in person that the correct instructions were received by a known representative of the intended recipient. Also, it is important to confirm with the intended recipient that the wire instructions are not to be substituted without your verbal or in person consent. **DO NOT forward wire instructions to other parties without first verbally verifying the email address and instructions from such party.**

**When wiring funds, never rely exclusively on an email, fax, text, or social media message communication without oral communications to the recipient.**

**IMMEDIATELY notify your banking institution if you feel that someone is attempting to initiate a wire fraud.** If you believe you may have received fraudulent wiring instructions, please notify your Agent, your Mortgage Representative, or Title Company.
